

# PUBLIC INPUT MEETING

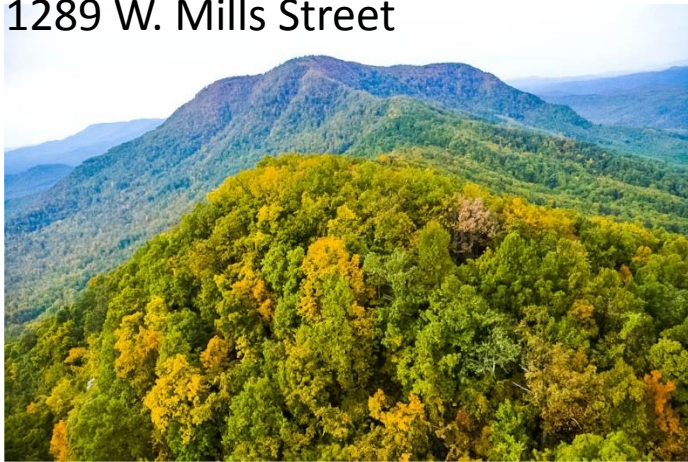

## For Little White Oak Mountain

Monday, March 20, 3:30-6:00 p.m.

(drop-in format)

Polk County Library in Columbus

1289 W. Mills Street

Questions or Comments?

Please come out and share your ideas and visions!

A majority of the site (up to 600 acres) will potentially be future game land and about 300 acres may be added to the Polk County Recreation Complex. *We want to hear your ideas about how the remaining 168 acres and the possible County park land could be developed in ways that will benefit the community and complement the adjacent land uses.*
